College of Medical, Veterinary & Life Sciences
Research Institute of Cancer Sciences
Vacancy Ref: 025939
Salary: Grade 9, £51,630 - £58,089 per annum

This is an exciting opportunity to provide strategic leadership and take overall responsibility for all the statistical aspects of CTU (Clinical Trials Unit) activities.

You will establish and maintain advanced research skills and facilities, providing significant expert contribution to internationally competitive research projects, funding applications and scholarly outputs, which are of strategic importance to the Institute of Cancer Sciences. You will also provide and take management responsibility as appropriate for undergraduate and postgraduate teaching and perform administrative tasks, which contribute to the running of the Institute.

This post is full time and has funding for up to 4 years.

For more information on this opportunity, please contact Prof. Rob Jones (Robert.Jones@glasgow.ac.uk)

Please also see link below for further information on the Institute :
